CHAIRMAN'S MESSAGE

Chanderprabhu Jain College of Higher Studies and School of Law is striving for excellence. Most successful men have achieved distinction by not being presented with some new talent or opportunity. They rather developed and optimally utilized the opportunity that was at hand and this is the motto of our Institute - to prepare our students for grabbing available opportunities and creating new prospects. We, at CPJ College of Higher Studies & School of Law, inculcate amongst students a spirit to strive and achieve the desired goals. They have been provided a platform wherein they can flourish their caliber and potential to the maximum. This encouragement is provided to them by highly skilled and experienced faculty who play the role of a mentor to guide them to their way to success.

Education consists of a series of enchantments, each raising the individual to a higher level of awareness, understanding and kinship with all living things. Education is very important amongst all of us and it is a fact which cannot be denied by anybody. With an ever increasing competition in all the sectors, it has become inevitable for an individual to acquire knowledge beyond the bookish ones. Over the years, the demand for skilled labour capable of multitasking is rising every day. As a result, it is a necessity to adapt oneself with the need of the hour.

It gives me immense happiness and pride to say that CPJ College of Higher Studies & School of Law is continuously striving for excellence. Our endeavor is not only class room teaching but also providing students with an environment that can groom and develop their skills for a professional career. CPJ glances itself to be one of the best 10 Business & Law Schools in the years to come and to be an epitome of excellence and perfection.

I extend a warm and hearty welcome to all of you at LOI FIESTA 2024.

NATIONAL CONFERENCE

March 1, 2024

Theme: Social & Welfare Laws: Emerging Challenges & Solutions

Social & Welfare Laws play a pivotal role in modern societies, aiming to ensure a safety net for the vulnerable and promote economic and social equity. However, in the face of evolving societal, economic and demographic dynamics, these laws confront a spectrum of challenges. The challenges encompass a rapidly aging population, the impact of automation on employment, rising income inequality and burgeoning mental health and addiction crises. To address these issues effectively, policymakers are considering innovative funding models, lifelong learning programs, progressive taxation, comprehensive healthcare reforms and data-driven decision-making. NATIONAL MOOT COURT COMPETITION

March 1 & 2, 2024

For details and Moot Proposition, kindly refer the rules section at Page no. 18

NATIONAL DEBATE COMPETITION

March 1, 2024

Debaters have been proven to become leaders and successful professionals. Countless corporate executives, influential lawyers, wealthy entrepreneurs and elected officials credit their debate experience in college with making them successful. The anecdotal evidence is overwhelming and suggests some of the following benefits.

- Debaters become better critical thinkers and communicators. People begin to see them in a different way.
- Debaters improve their social interactions. Debaters are not argumentative with their family and friends, but oddly enough, more understanding.
- Debaters improve their personal expression. There seems to be something in us as human being which wants to express ourselves. Their voices are heard.
- Debaters are more often seen as leaders. Studies in America show that those who communicate often & well and give a balance of positive and negative comments, are seen as leaders. Leadership is given, not taken. Debaters are more likely to be given leadership.
- Debaters tend to become citizens in the real sense of the world - informed, active, participating, a force to be harnessed for the betterment of all.

NATIONAL JUDGMENT WRITING COMPETITION

March 2, 2024

A Judgment is the statement given by the Judge, on the grounds of a decree or order. It is the end product of the proceedings in the Court. The writing of a judgment is one of the most important and time consuming task performed by a Judge. The making and the writing of a judgment and the style in which it is written, varies from Judge to Judge and reflects the characteristic of a Judge. Every Judge, of every rank, has his own distinct style of writing.

A Judgment pronounced on the bench, regarded as an intellectual product, stands in a class by itself. The judge speaks with authority and what he says should, therefore, be spoken with befitting dignity. He should not affect grandiloquence but he should be impressive. The strength of a judgment lies in its reasoning and it should therefore, be convincing. Clarity of exposition is always essential. Dignity, convincingness and clarity are exacting requirements but they are subservient to what, after all, is the main object of a judgment, which is not only to do but to seem to do justice. In addition to these cardinal qualities of a good judgment, there are the attributes of style, elegance and happy phrasing which are its embellishments.

NATIONAL CLIENT COUNSELING COMPETITION

March 2, 2024

The Competition simulates a law office consultation in which two law students, acting as lawyers (attorneys/solicitors/legal practitioners) are presented with a client matter. The students conduct an interview with a person playing the role of the client. Students are expected to elicit the relevant information from the client, explore with the client his or her preferred outcome, outline the nature of the problem and present the client with a means (or range of alternatives, if appropriate) for resolving the problem. The interview with the client is then followed by a post-consultation period during which the students, in the absence of the client, analyze the interview and discuss the legal and other work to be undertaken.

The interview and post-consultation period last a total of 25 minutes. The students are evaluated by a panel of judges, usually composed of two lawyers and a counselor (e.g., social or welfare worker, psychologist or another person with extensive experience in counseling). The inclusion of a non-lawyer counselor on the judging panel is designed to broaden the interdisciplinary perspectives of the panel, both in terms of skills and possible solutions to a problem. The students are evaluated against specific criteria that emphasize the use of listening, questioning, planning and analytical skills in a lawyer/client interview. Once the judges have completed their evaluation of the interview, the students are called back in and the judges provide a brief critique of the team's handling of the consultation and post-consultation periods.

9. Moot Problem

Republic of Indraprastha is a country which has various cultural and historical glories to its name and nicknamed as the “Land of Joy”. People from various backgrounds lived there and abided by the laws of the land. Devsena is a State of Republic of Indraprastha with the highest literacy rate among all other states of Republic of Indraprastha and the people believed in the Equality.

Shivgamini was a young Advocate who had just started practicing. She was a polite and helpful girl. She was always the last one to leave her workplace and often took her scooty to travel home from workplace. One such night, on 17-01-2023 around 10:00 P.M. she was returning from workplace on her scooty, when she noticed six men desperately asking for help at the highway. Out of generosity, she stopped her scooty. Three men asked for help and introduced themselves as tourists and one of their friends was laying injured at a short distance. While she got down from her scooty, two of them accompanied her to a distant isolated place.

On her way, she realized that she forgot her phone inside the scooty and while she returned for the same, she noticed that her two-wheeler tyre had been punctured. Shivgamini called her younger sister Lalita at 10.05 p.m. to inform that her scooty had broken down and she was all alone. All of a sudden, the three men, who had asked for her help accompanied by three other men came towards her and started touching her in an inappropriate manner. She got scared and slapped one of them, after which the men dragged the girl to a distant place and raped her one by one. In the fear of getting caught, all the six men brought petroleum to pour on her body and burnt her alive. As they made sure that she was dead, they ran away towards the nearby village after burning her scooty also.

On 18-01-2023, the partially burnt body was found at an underpass on the Devasena-Nangal national highway by a farmer around 5 a.m. He informed the village Sarpanch, Chedilal who alerted the local police. On confirmation that the victim was a female, police searched for missing women cases with the help of a ring and a pendant the family members were able to recognise her burnt body.

The Police started the investigation and discovered a CCTV footage which witnessed six men running towards the village at around 10:43 P.M. based on which, they started searching for those men. On 23-01-2023, the Police arrested, Pradeep, Zorawar, Natu, Raju, Pappu and Shakeel.

In the meantime, as soon as the news became viral, people all over the country started protesting and the news became trending all over the Social Media and people started demanding Justice for Shivgamini. People from various political background as well as Film Industry and Media houses demanded speedy Justice and #Hangthesedevils became viral all over the Country and the Government and the Judiciary was pressurised to take some measures for a speedy disposal of the case.

On 24-01-2023, the Police presented the six accused in front of the local Magistrate and requested for a 10 days remand for further investigation. Amidst the remand period, the entire Country protested with candle light marches. On 03-02-2023, the Media flashed the news that the all the six accused had been shot dead by the Police while they were being taken to the Court and tried to flee.

The Investigator In-Charge in an Interview stated that the vehicle carrying all six accused met with an accident, After coming out of vehicle Natu and Raju snatched the revolvers from the Constables while they were taken to the Court, fired two rounds in the air. Pradeep, Zorawar and Shakeel also followed them and tried to escape while Pappu choked a police constable. The Police claimed that they found no other ways and had to shoot down the six accused otherwise the accused would have fled.

The said encounter of the accused was hailed by a section of people, the families of the deceased but

the human rights groups alleged that the police took undue advantage of the power conferred to them. They termed such practice as extra-judicial killing. In the press conference held by the police department, how two of the six accused managed to get hold of the pistols in the presence of 10 armed police officers went unanswered.

The families of six accused in their allegations against the police department mentioned about the death threats received by them in police station during their visits with families. The families also alleged that the police department used hate speech against the accused and on several occasions they apprehended that the lives of accused were in danger.

As soon as the News became viral, the entire Country cherished the incident and supported the action of the Police and the same was called an “Act of Gallantry” by various Political Leaders. But, an NGO named as “Fight for Justice” filed a Petition before the Hon’ble High Court of Devsena. The Hon’ble High Court of Devsena after hearing all the arguments of the case held “The Police had no other option but to shoot all the six accused failing to which they would have fled and which would have triggered mass and widespread agitation throughout the Nation and the Role of the Police would have been in question. Therefore, the Court finds the Act of the Police as an Act of gallantry and sudden grave provocation to counter the situation in hand.”

The majority of the population of Indraprastha supported the aforesaid judgment. While families and friends of all the six accused who were shot dead by the police in an alleged encounter, have approached the Supreme Court, seeking murder charges against all the ten police officers involved. It was also alleged that such incident reflected the current arbitrary state of police rule in the country. Alleging that the youth were killed in a staged gunfight, the families filed a writ petition under the provisions of Article 32 of the Constitution that provides remedies against infringement of Fundamental Rights.

The NGO, after the Judgment by the Hon’ble High Court, approached the Hon’ble Supreme Court on the contention of violation of Human Rights as well as the violation of Fundamental Rights guaranteed under the Constitution of Republic of Indraprastha. All the petitions have been clubbed by the Hon’ble Supreme Court of Republic of Indraprastha and stands pending before the Hon’ble Supreme Court of Republic of Indraprastha.

The Consultation Period (Interview Period)

All teams will go through a 25 minutes session. During the consultation and post-consultation, the team may use books, notes and other materials. The team may also use office props (dictaphones, files, desktop, furnishings, bookshelves etc.) and any other material to furnish their consultation room.

Post Consultation Period (Post Interview Period)

During the post-consultation period, the students may either talk to each other loudly enough to be overheard by the judges, or dictate a file memorandum on the interview, or both. The concept behind the post-consultation period is to summarize the interview, indicate the scope of the legal work to be undertaken and state the legal issues that should be researched. Explanation of the position or attitude taken by the students may be useful. Judges may question the teams during the post consultation period.

- If the students feel that some documents are appropriate, like a letter to the client confirming their retention as attorneys, the fee arrangement etc, or a letter to opposing counsel or to the party with whom the client is having their legal problems, they may dictate such a document at the post consultation stage.
- The Judges may penalize students who allow the interview session to run excessively beyond the 20 minute period allotted in the rules. However, the judges in their discretion, taking into account the circumstances, may allow some more time beyond the 20 minute period for the interview session. If the extended consultation session allowed an opportunity for a team to gather more information than other teams, this circumstance should be taken into consideration by the judges in making their decision. Judges should stop students after 25 minutes regardless of whether the students are in the consultation or post-consultation process.
